

LET US REPAIR YOUR DAMAGED UPRIGHT FRAMES

PROFESSIONAL UPRIGHT FRAME REPAIR SERVICES

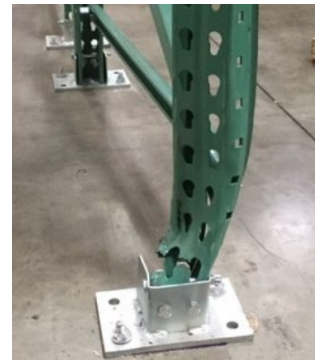

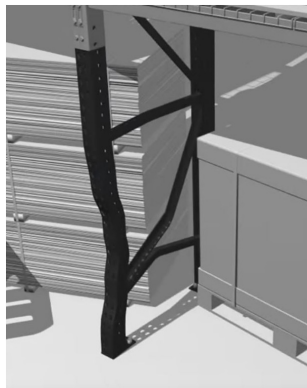

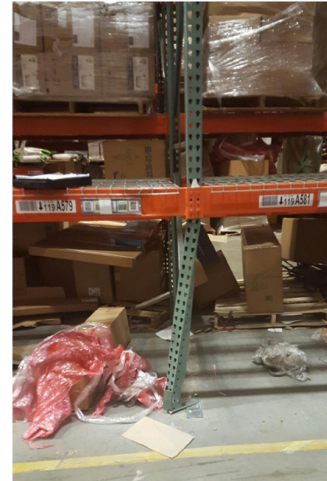

Our team specializes in repairing damaged upright frames efficiently and safely, without the need to remove beams or relocate products from your shelves. Utilizing advanced equipment, we lift your loaded uprights, remove the damaged sections, and install heavy duty repair kits.

OUR PROCESS:

On-site damage assessment and measurements.
Immediate or special order repair kit procurement.

KEY ADVANTAGES:

In-place repairs without unloading products.
No need for forklifts or scissor lifts.
Repairs without disturbing sprinkler systems.
Drive-In or Push Back System repairs without dismantling.
Quick and efficient repair process.
Durable and sturdy repair kits exceeding original frame strength.

For more information or to schedule a consultation, please contact us at:

sales@diversifiedrack.com or **609-448-6262**
(ask about repair kits)

Let us help you with our expertise, experience and inventory.

We also want to buy your racking and/or shelving that you may not need or want to replace.

If you would like to contact us please reply to this email, contact us via phone (609) 448-6262
